

Name of Scholarship

Sound Family Medicine Scholarship

Purpose of Scholarship

Sound Family Medicine is dedicated to improving health in the communities they serve. The goal of this scholarship is to enable and encourage our high school students to reach for their dreams and become the best person they can be. By developing their talent, we believe they will become great people who care about the world around them. Our dream is that they will repay our gift to them by making every community that they live in a better place to live. Through their leadership they will create enlightened schools, health care facilities, businesses, governments and nature areas that will ultimately improve the health of neighborhoods, towns, and countries.
